INSIDE YOUR NEW CROUDACE HOME

We understand how important it is to put your stamp on a new home. A Croudace home is a blank canvas just waiting for you to make your own.

QUALITY, STYLE & CHOICE

Your new Croudace home can be personalised, with a range of considered options available to choose from, including wall colours, fitted furniture, tile style and colour, and wardrobe glazing finish. Our expert Sales Consultants are happy to offer advice and guidance regarding your choices.

Of course, the availability of these options is dependent on, and subject to, the stage of construction at the time the plot is reserved. Once the development has launched you can view our entire range of choices at our Marketing Suite.

We also offer a variety of customer extras. Ask our Sales Consultants how we can help you turn your new Croudace house into a home.

Willowbrook Park

PHOTOVOLTAIC SOLAR PANELS

Some of the homes at Campion Grove are fitted with Photovoltaic (PV) Technology. These panels convert daylight into electricity via PV panels/modules on the roof. The electricity produced is connected to a consumer unit and will power a proportion of your electrical requirements.

PART EXCHANGE

Our Part Exchange service has helped many families move into their brand new Croudace property without the stress of selling their previous home.

The service we offer is totally free and, what is more, leaves you with time and energy to concentrate on the more enjoyable side of moving – making plans for your new home. At Croudace Homes, we pride ourselves on our flexible approach, so if you do not meet all the criteria, do not give up hope! Our Sales Consultants are always on hand to help whenever possible.

HASSLE FREE SERVICE

- Your existing property should be within one of our operating areas
- Your existing property should have an estimated value that is no more than 70% of the value of the new home you are buying from us
- Your existing property must not be a flat or conversion
- Part Exchange with Croudace Homes cannot be used in conjunction with other offers

THE BENEFITS

- NO Agent's Fees
- NO Stress
- NO Chain
- AND a guaranteed purchaser for your home

Part Exchange

A COMMITMENT TO QUALITY

Croudace Homes takes great pride in providing our customers with expert advice and guidance, to ensure that every stage of the home buying process is as clear and straight forward as possible.

We regularly seek feedback from customers who have bought and moved into their Croudace home and use what we learn alongside research we conduct into changes in lifestyles to ensure our designs are continually enhanced and improved.

Ecological and environmental aspects of construction are of the utmost importance and are at the forefront of all our designs, as well as the entire build process. Croudace homes are designed to maximise energy efficiency and minimise their impact on the local environment.

Croudace Homes is uncompromising in its commitment to providing customers with the highest quality homes and peerless after-sales care. We are proud to receive excellent ratings from independent customer satisfaction surveys, which place us amongst the finest home builders in the country.

We understand that buying a home is one of the biggest decisions one can make, which is why we aim to simplify the process as much as possible. We hope you decide to buy a Croudace home and wish you many happy years living in it.

The contents of this brochure have been produced in good faith. Architectural details and elevational treatments, including window or porch styles and positions, may vary from those shown; bay windows are plot specific.

All dimensions are approximate. All imagery is illustrative. Please check with one of our Sales Consultants for detailed information regarding your chosen home style and/or plot. We continually review the specification of our product and reserve the right to amend it. Although it is our intention that information given regarding garages and parking is truthful, these aspects are subject to change as Campion Grove progresses.

This brochure does not form part of any contract or constitute an offer.

Date of Preparation April 2025.
